ACC Campus Store Welcomes Our New Partner: BibliU

ACC has partnered with BibliU to make required course materials/textbooks more affordable.

Through BibliU's Equitable Access (EA) program, you gain immediate access to digital textbooks on the first day of the course. **Textbooks are digital and cost \$80 per text, per course.**

If a course does not have a textbook, or uses free Open Educational Resources (OER), a fee will **not** be assessed for the course. You are automatically enrolled in this program when you register for courses.

- **You must opt-out if you do not want to participate.** If you already have access to all of the course materials or decide you do not want to participate in the EA program, you can opt-out and not be charged the \$80/textbook fee.
- Once the decision is made to opt-out of the EA program, you may **not** opt back in at a later point.
- If you choose to opt-out, you are opting out for all courses you are enrolled in for the semester.

To opt-out, **submit the Opt-Out Form at the Cashier's window** (located in the Student Services Building) on or before:

- May 23 for the 8-week session,
- June 4 for the 6-week session,
- or the earlier date if enrolled in both sessions.

Your account will be adjusted within three business days. If payment has been made and you later opt-out, a refund will be issued.
