CAREER & COLLEGE PROMISE

The Career & College Promise (CCP) program allows qualified high school students in North Carolina the opportunity to pursue college courses (tuition free) while in high school. The CCP program accelerates completion of college certificates, diplomas, and associate degrees that lead to college transfer or provide entry-level job skills. CCP is designed for students who are college-ready while in high school and who want to get a head start on college.

HOW TO BECOME A CCP STUDENT

1. **Join us for an Information Session to see if CCP is a good fit.**
   Visit alamancecc.edu/ccp to learn more

2. **Apply Online Today!**

   If you are a high school student in public, private, charter, or home school, complete the online application. You will enter your high school counselor/home school administrator's email address in the application so they can confirm your eligibility and submit your transcript.

3. **Meet your CCP Advisor**

   - Once your application has been processed, you will receive a "welcome email" with next steps and an email about scheduling an advising appointment. Appointments can be done in-person, via Zoom, or phone.
   - Discuss your plans with your counselor or parent prior to your advising appointment.
   - Advising appointments give students an opportunity to discuss career and/or college goals and next steps after high school, as well as current high school load and schedule.

4. **Attend New Student Orientation**

   You will receive valuable information to set you up for success!
