# Introduction

## *What is a brand?*

A brand is more than just a logo or a name; it is the sum of perceptions, experiences, and associations that people have with an organization. For Alamance Community College (ACC), our brand represents the essence of who we are, what we stand for, and the value we provide to our students, faculty, staff, and community.

## *Why is branding important for us?*

A strong brand is essential for ACC because it;

- Builds trust through consistent branding, which creates familiarity and makes it easier for people to choose ACC for their educational needs.
- Enhances recognition by ensuring that all our communications and materials are easily identifiable, reinforcing our presence in the community and beyond.
- A compelling brand story and visual identity attracts prospective students and faculty, while a positive brand experience helps retain them.
- A strong brand engages alumni, donors, partners, and the community, encouraging ongoing support and collaboration.

Our brand is a valuable asset that embodies the spirit and values of ACC. By understanding and adhering to the principles outlined in this Brand Identity Guide, we can ensure that every representation of ACC contributes to a powerful, unified, and inspiring brand that resonates with all our audiences.

# Logo Guidelines

## LOGO AND VARIATIONS

Use of ACC's logo must comply with ACC policies, which apply to all visual representations of the College: signs, video productions, exhibit materials, social media, websites, etc., as well as printed and electronic publications. ACC's logo cannot be used in conjunction or partnership with a business, social, political, religious or any other organization, nor can it be used to imply or otherwise suggest the College's endorsement with any organization, product or service, without permission of the College.

It is the policy of ACC that all visual communications bear its name and be consistent with uniformly high professional standards in content and appearance. This includes all departments, programs and units of the College.

## PRIMARY LOGO

Our logo consists of two elements: the A logo mark, and the college signature, Alamance Community College.

## LOGO USAGE

ACC's logo is the most important piece of our brand. All official materials that are circulated within the College community or externally must show this logo.

The logo appears in three standard forms: the primary logo, secondary logo, and the logo mark. Each logo has specific usage requirements that must be followed. Should you find a situation where a deviation is needed, please address your concerns to the Public Information & Marketing Office.

- ▶ Our logo may appear in four colors only: black, white, gold, and blue.

This ensures that our logo remain timeless, and is always recognized as the Alamance Community College logo.

- ▶ Using the logo in a one color format is common, but only ACC's blue, white, or black is acceptable.
- ▶ Do not use our logo in all gold, or any other color.
- ▶ Only the "A" should appear in ACC gold. The college signature should not.

# Logo Guidelines

## TAGLINE

The tagline “You Belong Here” helps position ACC as a place of inclusivity, a place to grow, and a place to reach your goals.

**You Belong** *here.*

**You Belong** *here.*

**You Belong** *here.*

## TAGLINE SPECS

The tagline can be used;

- ▶ In print material on the front and back covers.
- ▶ In advertising when the audience has sufficient read time to take in the primary message of the ad.

This logo can also be recreated only in the above color palettes.

Contact the Public Information and Marketing Office for consultation and guidance regarding tagline use in your communication or marketing materials.

# Logo Guidelines

## CLEAR SPACE

Maintaining appropriate clear space around the logo ensures that it is legible. Photos, text, and graphic elements should never be placed within the clear space.

The clear space around the logo should be at least 150% of the width of the logo.

## MINIMUM SIZE

The ideal size for print reproduction is 2 inches across, measured by the base rule. The minimum size for print reproduction is 1.25 inches across.

# Logo Guidelines

# Color Palette

The official colors of ACC are navy blue and golden yellow. Navy should appear on all communications that use color. Secondary colors allow for variations of our official colors when more or less contrast is needed between a set of colors. Support colors are accent colors and should never be the dominant color palette in a design.

PMS (Pantone Matching System), CMYK (cyan, magenta, yellow, black), RGB (red, green, blue) and HTML (hexadecimal) values are assigned to each official color.

# Color Palette

## COLOR USAGE GUIDELINES

The consistent use of color is another component of a strong brand system. Two color palettes are included in ACC's brand guidelines, providing a wide range of creative options. Utilizing the primary color palette as often as possible will maximize the reinforcement of the ACC brand. Do not vary from these swatches. Always refer to the Pantone Matching System for accurate results.

## PRIMARY & SECONDARY COLOR PALETTES

When creating marketing pieces, ACC's primary color palette must always be used. Colors in the secondary color palette may only be used in addition to using the two primary colors. Any exceptions must be approved the Public Information and Marketing Office.

## ACCESSIBLE COLOR COMBINATIONS

For readability, it is important to have sufficient contrast between colors. Low contrast colors will make it difficult for visual users to read and/or understand the content (text or images of text) on the page.

✓ **Correct** use of foreground and background color.

✗ **Incorrect** use of foreground and background color.

# Typography

## PRIMARY TYPEFACE

Our main typeface is Open Sans. It can be used in all instances, including body copy and captions.

# Open Sans

## SECONDARY TYPEFACE

Our secondary typeface is Roboto Slab Bold. Like Open Sans, Roboto Slab Bold is compelling enough for headlines, and legible enough for large amounts of smaller copy.

# Roboto Slab Bold

## HEADLINE TYPEFACE

Montserrat Black should be used primarily for headlines, titles, and major announcements across all ACC materials. Its bold and eye-catching design helps draw attention to the most important parts of our messages.

# Montserrat

## ACCENT TYPEFACE

Amithen is an energetic accent font chosen for ACC. This font adds creativity to our visual communications, complementing the primary typefaces with its flowing lines. Amithen is used sparingly for emphasis in headings, quotes, and special announcements.

## USAGE GUIDLINES

Below are some basic recommendations that can better align your use of type with the ACC brand.

In general, use dark foreground text on a light background, or vice versa. Legible white type with ample leading on a dark background makes for a more comfortable read.

Use white/golden yellow type on top of blue. There is enough contrast between these colors to ensure accessibility and legibility.

Use no more than two or three type styles and a limited number of type sizes.

## SUBSTITUTE FONT

There are certain instances/platforms where ACC's fonts are not offered. In these cases, our substitute font is Arial.

# Photography

## PHOTOGRAPHY STYLE AND STANDARDS

Photography should depict a dynamic and vibrant environment, capturing the essence of ACC's campus life. Images should feature well-composed scenes highlighting students, faculty, facilities, events, and other significant aspects of the college.

Thoughtful attention should be given to what is intentionally featured in our images, including the main subject and the elements in the foreground, middle ground, and background. This approach ensures that each photograph tells a compelling story about ACC's inclusive and progressive community.

### AUTHENTIC & RELATABLE

- ▶ Use candid, real-life shots that capture genuine moments and interactions.
- ▶ Highlight diverse groups of students, faculty, and staff in various settings.

### POSITIVE AND INSPIRATIONAL

- ▶ Capture images that evoke a sense of optimism, growth, and achievement.
- ▶ Focus on students and faculty engaging in learning and collaboration.

# Photography

## ENSURE CLARITY

Minimize extraneous objects and visual textures in your photographs to ensure clarity and focus.

- ▶ **Don't** let the subject get lost with the surrounding objects.

- ▶ **Keep** composition clear to direct viewer's attention to main subject.

## USAGE AND APPLICATION

It is imperative to use professional imagery on ACC materials. The Public Information & Marketing Department has a database of images to ensure consistency with marketing materials. Contact the office for a specific image, or to coordinate a photoshoot.
